

Example of a pilot

The Pietermaritzburg district

Reason for choosing:

Has the existing Community College Administrative hub and the DHET regional offices

Has two existing proto community colleges – the Tembaletu Community and Education Centre (www.tembaletu.co.za/) in a light industrial area with office space and workshop space with an excellent track record of good management and a diverse set of offerings and the Nottingham Road Midlands Community College (<http://midlandscommunitycollege.co.za/>) which is more rurally based..

The Indlovu Partnership for Lifelong (www.inpll.co.za), though defunct because of lack of funding, provided an excellent example of a partnership between organisations and industry in the Pietermaritzburg region (<http://www.nadeosa.org.za/resource/making-collaboration-work-case-study-indlovu-partnership-lifelong-learning>)

There are 37 CLCs in the district, mainly housed in school which could all be serviced from a Community College headquartered in Pietermaritzburg.

PALCs in the Pietermaritzburg region (Umgungundlovu District)

Natemis	Centre name	Physical building	Physical Street	City, town or area	Code	Postal bag	Post_office
